[Qualifications we are interested in include:](#)

- Master's degree in Audiology.
- Eligible for registration with CASLPO.
- Dispensing experience an asset.

MEMBER OF THE  
LIFESTYLE HEARING NETWORK

**We currently have openings in the Collingwood and Barrie areas.**

1) **Collingwood** - Situated on Nottawasaga Bay, at the southern point of Georgian Bay, and synonymous with recreational activities and natural beauty, Collingwood is a perfect place to live, work, and play. Formerly an industrial town, Collingwood has now become a four season tourist destination because of nearby attractions such as The Blue Mountain Resort and Wasaga Beach Provincial Park. A town of just under 20,000 people, this lakeside community has an airport, public transportation, and a collection of municipal services including a public library and an arena. Collingwood is connected to Owen Sound and Barrie via the Barrie-Collingwood Railway, and hosts several festivals throughout the year.

2) **Barrie** - Located approximately 90 kilometers north of Toronto, on the shores of Lake Simcoe, Barrie has many amenities and services ideal for someone who'd like to be close to the Greater Toronto Area. With Go Train access into the city and Pearson International Airport only 1 hour away, Barrie is conveniently removed from the city yet never isolated. Barrie is one of Canada's fastest growing cities, it currently has approximately 130 000 residents, and is defined by its English (37.2%), Scottish (25.8%), and Irish populations (23.6%). It has two English and two French school boards, and its principle employers are the Royal Victoria Hospital and Georgian College (and the associated University Partnership Centre and Centre for Health and Wellness). Visit Barrie's historic downtown or hit the slopes at nearby Blue Mountain to see if Barrie is the place for you.
